

## One Month FREE Trial Offer - Breakaway Mining Research Daily and Weekly Reports

- In February, Breakaway Research launched a new subscription research product which provides a 'one stop shop' for all of your mining and energy investment requirements.
- A **Daily Report** which summarises all the preceding day's ASX mining and energy announcements, along with overnight commodity prices and market update.
- The **Weekly Report** provides an analysis on emerging market trends, as well as investment ideas through two portfolios:

**Low Risk Portfolio**

**Speculative Portfolio**

We also include a stock **Watchlist** which includes companies embarking on activities that may lead to

**TO TAKE PART IN THIS FREE ONE MONTH TRIAL, please email your name, and contact details**

Once you have completed the one month trial of our daily and weekly reports, you may subscribe for a very reasonable price of **A\$25/month** or **A\$250/year**, both including GST. We believe it represents exceptional value for the comprehensive coverage it offers, but of course you can cancel any time, and for the first two weeks of your subscription you can receive a full reimbursement. - The combination of daily information flow and the weekly review, including the portfolios (low risk and speculative) and Watchlist 'recommendations' means that you will be on top of the news, events and trends occurring in the sector.

One of our key alliances is with Austex Mining, a market monitoring company that maintains our resource database.

***We believe this is an essential product for investing in the Australian mining and energy sector.***
